

Shivani Saluja

Product Marketing | GTM Strategy | Growth | B2B SaaS & AI

London, UK | +44 7526 685515 | shivani1997hcs@gmail.com | [LinkedIn](#) | [shivanisaluja.com](#)

Product marketer, 5+ years across B2B SaaS, AI and enterprise tech. Led product marketing at GreyOrange, a BlackRock-backed warehouse robotics scaleup, through 68% ARR growth. Now launching AI agent products at Mention Me. MBA, Imperial College London.

WORK EXPERIENCE

AI Product & Growth Marketing Manager | Mention Me (Octopus Ventures-backed), London Mar 2026 – Present

- Launched an AI agent and MCP connector built with Claude. Wrote the positioning, launch narrative and sales enablement. 70% of customers were using it within three weeks
- Rewrote the market-facing messaging after positioning and customer research, and rebuilt inbound around the new angles and intent tooling. Inbound pipeline up 60% in a quarter
- Built warm-lead identification and retargeting into outbound, with ICP proof points drawn from Gong call insights. Reply rates up 20%
- Built and scheduled AI agents in Claude Cowork for competitive intel and Gong call listening, plus a case-study generator and a shared asset library. All now standing workflows the wider team runs on
- Built the renewal value story (ROI narratives, impact reporting) to defend retention. Now used by CS in every renewal conversation

Freelance Product Marketing Consultant | London Oct 2025 – Feb 2026

- Advised early-stage B2B SaaS and AI startups on GTM, positioning and competitive benchmarking. Launched the initial PLG model for a Singapore-based GTM-tech startup: ICP, activation funnel and pricing

Product Marketing (MBA Internship) | HeyAlpha (Conversational AI), London Jul 2025 – Oct 2025

- Built the UK and Middle East market entry plan. Mapped 15+ competitors, and the positioning I wrote was adopted by leadership
- Wrote the ROI framework and product narrative, tested against pilot data and used by the founders in live customer calls

Product Marketing Manager | GreyOrange (warehouse robotics), Atlanta & Gurgaon Aug 2022 – Aug 2024

- Launched two autonomous forklift products. Wrote the narrative, built the GTM plan, trained 40+ reps. Pipeline up 45%, sales cycles down 30%
- Moved GTM from broad campaigns to vertical ABM across 3PL, fashion and manufacturing. Open rates up 50%, CXO engagement from 12% to 31%
- Ran 100+ customer and win/loss interviews. 80% of wins shared the same three patterns, so I reframed the message from innovation to risk avoidance. Win rate up 20%
- Built the enablement suite: decks, battlecards, ROI calculators, objection handling. Led the MODEX story, generating \$20M+ in pipeline

Associate Product Marketing Manager | Graphy (B2B SaaS LMS), San Francisco Sep 2021 – Jul 2022

- Built GTM from zero for three international markets. Customer base grew 25%, GMV up 40%
- Redesigned onboarding and retrained the CS team. Retention reached 94%

Growth Associate | Times Internet (India's largest digital media co.), Noida Feb 2019 – Feb 2021

- Launched three content products with full GTM and monetisation plans. Profitability up 50%+
- Grew the subscription base 6x through partnerships. Secured £600K+ in sponsorship, ahead of target

EDUCATION

MBA, Strategy & Transformation | Imperial College Business School, London 2024 – 2025

Won Innovation Challenge. Shortlisted for VCIC Regionals. Head of External Relations, Tech Club.

BSc Chemistry | Hindu College, University of Delhi 2015 – 2018
